Simplifying Your Life

Say goodbye to bulky countertop boxes and say hello to the most advanced water purification system in the market.

The World's First and Only Titanium Inner Core

- ◆ Anti-Corrosion
- ◆ Anti-Limescale
- ◆ High Strength and Durability
- ◆ Efficient Heat Transfer
- ◆ Biocompatible

World-Class All-In-One Water Purification System

Every drop counts by effectively removing 99.99% microorganisms down to 0.01 micron (μm).

Sediment Filter

Effortlessly removes soil, rust, sediment and bigger particles.

Activated Carbon Block

Actively removes cysts, unpleasant odours, chlorine, chloramine, trihalomethane, VOCs and heavy metals.

Nanofiltration Membrane

Eliminates bacteria, algae, parasites and some viruses while preserving important natural minerals.

Eco-Friendly

INTRIX filters are designed to be 95% recyclable, reducing waste by more than 80%.
